

# Mikko Salminen, BDS

## BIOGRAPHY

Mikko Salminen has worked more than 20 years in different dental companies as a trainer and in other functions. He has broad experience as a lecturer and trainer in Finland and internationally. He joined 3M in the beginning of 2022 as the Clinical Specialist for 3M Oral Care products in Finland.

## COURSE DESCRIPTION

In the hands-on session Mikko will give a short presentation about new 3M™ RelyX™ Universal resin cement and after that he will guide through the cementation process step-by-step.
