

Dr. Shira Zary

BIOGRAPHY

Graduated summa cum laude from Tel Aviv University, Goldschleger School of Dental Medicine, Israel, in 2005.

In 2012, Dr. Zary returned to Tel Aviv University, where she has since been serving as a Clinical Instructor in the Department of Oral Rehabilitation.

Prior to joining 3M in 2011, Dr. Zary focused mainly on esthetics and oral rehabilitation in her private practice. Dr. Zary lectures extensively in the international dental community, as 3M Oral Care Solutions Scientific Affairs & Education Manager, Dental Procedures, for Europe, Middle East and Africa.

COURSE DESCRIPTION

Everyone knows that Time is Money, but saving time without ensuring excellent, dependable clinical care can ultimately lead to disastrous results, and cost us our patients and reputation. In this lecture, we will explore different ways to look at saving time (and money), while providing our patients with uncompromising levels of clinical care.
