

elements™ Connect & Apex Connect

Cordless Endodontic Motor and Electronic Apex Locator

Your safe path

Elevate your confidence while enhancing patient safety.

The smart light indicator lets you know when you've reached the bottom of the canal to **minimize error**.

Add confidence to your shaping, with elements Connect and Apex Connect. Designed to work seamlessly together to support patient safety while simplifying your procedures. The intuitive display provides real-time working length feedback to minimize error, while the motor delivers reliable performance with virtually any file system.

All you need to support the success of your shaping procedures from start to finish.
